Application of VPN service of analysis system

「共同利用 VPN サービス利用申請受付開始のお知らせ」の英文アナウンスになります。

Dear users,

An application form of a VPN service of a new analysis system (English version) has been opened .

(NOTE 1)

- The VPN service is used when you would like to access to the analysis system from the outside of NAOJ.
- Users of the analysis system except for NAOJ staff are able to use the VPN service.
- NAOJ staff should use another VPN service provided by network support (<http://naoj-info.mtk.nao.ac.jp/>).

If you would like to use the VPN service, you should submit an application form of the service.

(NOTE 2)

Gatways of a previous system, gw0[1,2].ana.nao.ac.jp, are still available. The gateways will be stopped on late of March.

Thank you for your cooperation,
