

ADC からのお知らせ No.255(2012/07/18)

■ The ADC analysis system stopped at the 18:34 on July 16

(English)

Dear users,

The ADC analysis system stopped at the 18:34 on July 16. Now, the cause is investigated. As soon as details are known, it is due to announce users at any time. It has the completion of a reboot at 9:03 on July 17, and is working normally now.

The users of the lower list (the list should look at a Japanese column) may have been affected by this system breakdown. Please confirm.
